

Cygnature

Specializing in disposable and janitorial products for restaurant,
cafe, and catering services.

Since 1973

"Customers are parts of our family."

We have done business for over forty years, and to do business near a half century, we need to be reliable and trustworthy. We do this by thinking of our customers as our family members. We listen to our customers' needs and wants and do our best to fulfill them in changing economy. Learning from our half century of experiences, we pursue "Win-Win" --- relationships so that we can have century business - relationships benefitting all of our family now and for time to come.
